

2021 City & Guilds Qualified Junior Technicians Sponsorship Opportunities

The Kumul Petroleum Academy (KPA) - NTC RTO 187- is offering a 12 month competency-based training 'Job-Ready Technicians' Scholarship Training Program supported by the oil, gas, LNG, power and mining industries. The training provides opportunities to the next generation of Papua New Guineans to develop lifelong knowledge and practical skills for employment in PNG and internationally. City & Guilds is a world leader in skills education and widely recognized throughout the industry.

Successful applicants will receive sponsorship from ExxonMobil PNG Limited for the 12 months training program at KPA. ExxonMobil PNG Limited is looking to sponsor successful Junior Production Technicians for 2021 intake. Suitable candidates including people from Project Impacted Areas (PIA) that meet the selection criteria are encouraged to apply.

The program is designed to develop:

- ✿ Junior Production (Operations) Technicians
- ✿ Junior Instrument Technicians
- ✿ Junior Electrical Technicians
- ✿ Junior Mechanical Technicians

The Program Comprises:

- ✿ 12 Month Full-Time Program Commitment
- ✿ City & Guilds international training standards
- ✿ A Safe Live Plant Training Environment

Applicants for scholarships must:

- ✿ Have completed highest educational qualification in the last eight years
- ✿ Preferably have technical vocational trade certificate Level II or III in Mechanical, Production, Instrumental, Electrical or related fields and at least one year experience, with a clean discipline record; and/or Grade 12 leavers with sound academic results in Math and English
- ✿ Have good spoken and written English
- ✿ Have well-developed interpersonal and communication skills

Applications should include the following:

- ✿ Completed KPA City & Guilds Qualified Junior Technicians Application Form and updated CV
- ✿ Authenticated (certified by a Commissioner of Oath / Village Councilor) copies of police clearance, academic certificates and three recent references
- ✿ Certified copy of birth certificate or NID card or other valid proof of age and ID

The selection process for enrolment comprises:

- ✿ 2021 City & Guilds Qualified Junior Technicians Application Form
- ✿ Online Psychometric / Aptitude Tests, which will include mathematical aptitude /reasoning and spatial recognition as examples. Access to reliable internet connectivity and an active email address is required.
- ✿ Interviews
- ✿ Medical, Drug & Alcohol clearance and agreement to behavioral codes

You may obtain the application form and apply through the following methods:

- ✿ Obtain the KPA City & Guilds Qualified Junior Technicians Application Form from our web site <http://kumulpetroleum.com/kpa/>
- ✿ Request/submit application form via email: hr@spe-institute.com
- ✿ Pick up/drop off application form at the Academy's main gate (Portion 474, Idubada Road, Idubada, Port Moresby)

Your completed application form must be lodged with an updated CV including contact details of three recent referees and valid copies of relevant qualifications by Friday, 5th February 2021. Actively monitor your nominated email account. Only shortlisted candidates will be contacted by the end of February 2021 to take an online aptitude test.
